

Kosiski Auto Parts and Hoosier Great Plains will work with four Nebraska race tracks and one Iowa race track to fund the Bragging Rights Late Model / Grand National point fund for the 2018 racing season. Those five tracks are Boone County Raceway in Albion, Off Road Speedway near Norfolk, I-80 Speedway near Greenwood, US 30 Speedway in Columbus, and Shelby County Speedway in Harlan, Iowa.

A driver's best 16 finishes will be used to calculate his points total. All events listed as Bragging Rights Late Models. There will be no requirement in 2018 to run more than one track a minimum amount of times. Races sanctioned by SLMR, MLRA, CBC, NCRA, & MARS will not be counted towards the Bragging Rights Late Model Races and Points.
